COLLEGE

The theme of the 1986 Caber is "Spirit." We hope to portray to you the various types of spirit that combine to make Hyles-Anderson College an incredibly unique place. We hope to show the spirit of fun, excitement, competition, companionship, serenity, and meditation at our school but, most of all, to show a place that has the Spirit of the Lord.

DEDICATION

MR. & MRS. JUDSON MITCHELL

"And of some have compassion, making a difference."

Jude vs. 22

Judson and Vicki Mitchell and family, Yvonne, 11, Jack, 7, Belinda, 5 and Joey, 3

Judson and Vicki Mitchell have labored at Hyles-Anderson College for a total of 17 years. When one thinks of a person who cares and is concerned about the individual welfare of a student, the name Judson Mitchell immediately comes to mind. Brother Mitchell's empathy and concern is so evident in each and every aspect of his life. Whether Brother Mitchell is counselling, teaching, or just passing in the hallway, his friendly smile and cheerful, "hello," constantly act as a joy-creating device.

Mrs. Mitchell has been a testimony to the students of Hyles-Anderson through her example of how a Christian ought to act even while going through a serious health problem. The Mitchells have come to symbolize what Hyles-Anderson is all about in many ways.

We thank them for their years of service as we proudly dedicate the 1986 Caber to Mr. and Mrs. Judson Mitchell.

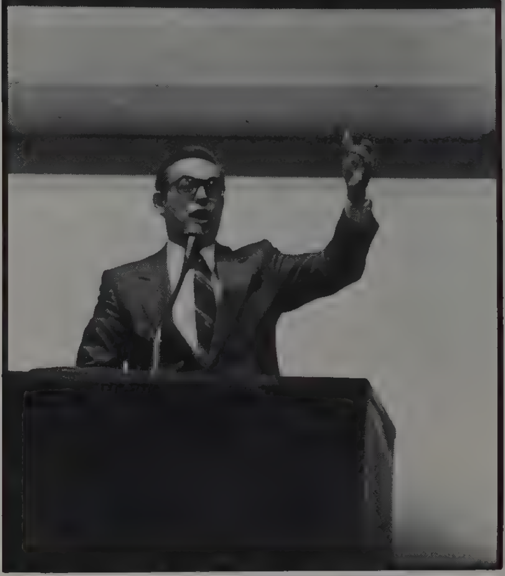
THE SPIRIT OF CHAPEL

College chapel is the time each day when the family gets together for a mini family reunion. It is our time of laughter, it is also our time of tears. It is our time of growth, and it is also our time for retrospection. Chapel is the heartbeat of Hyles-Anderson College and while the memories of speakers will always come to mind, there are other memories that one can't help but reflect on when chapel is mentioned. These pictures bring back a few of the moments from the 1985-86 chapel hour.



Top center: Dr. Hyles falls back on Dr. Evans for support before a barrage of paper airplanes and beach balls. ***Top right:*** Dr. Evans leads songs in a style that is inimitable. ***Right:*** In the year of Jim McMahon and the Bears' Superbowl victory, even the faculty members felt the need for self expression. ***Below:*** College students always enjoy introducing special visitors from home.

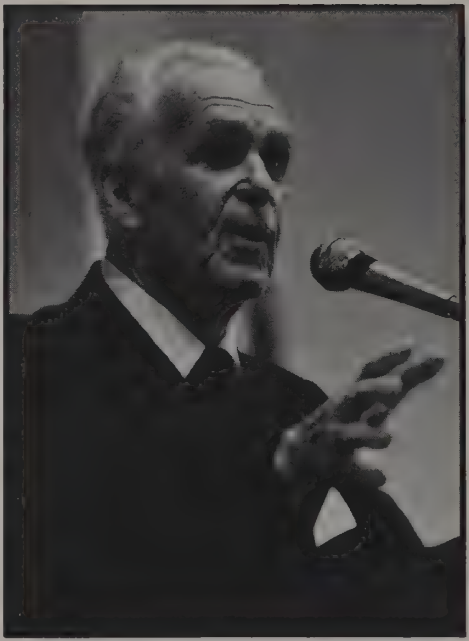
MEMORIES

Dr. Roberson

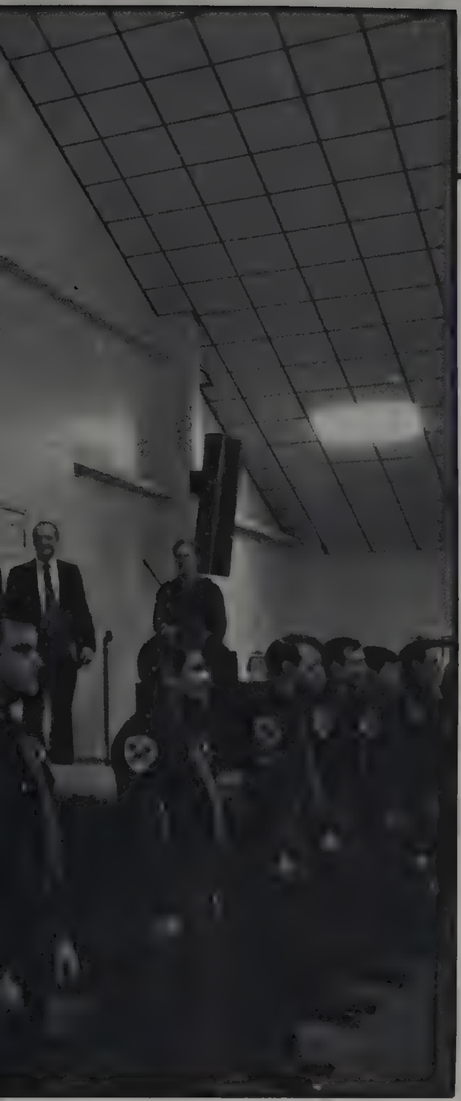
GENERAL LEE ROBERSO
HYLES-ANDERSON COLLEGE

Dr. Lee Roberson is a true hero to the students of Hyles-Anderson College. Dr. Roberson, who for over four decades has ministered at the great Highland Park Baptist Church and Tennessee Temple University, was the speaker for two days this spring. Dr. Roberson's preaching and teaching, and especially his life serve as a testimonial to each of us of how God can use a man who is pliable in the Lord's hands.

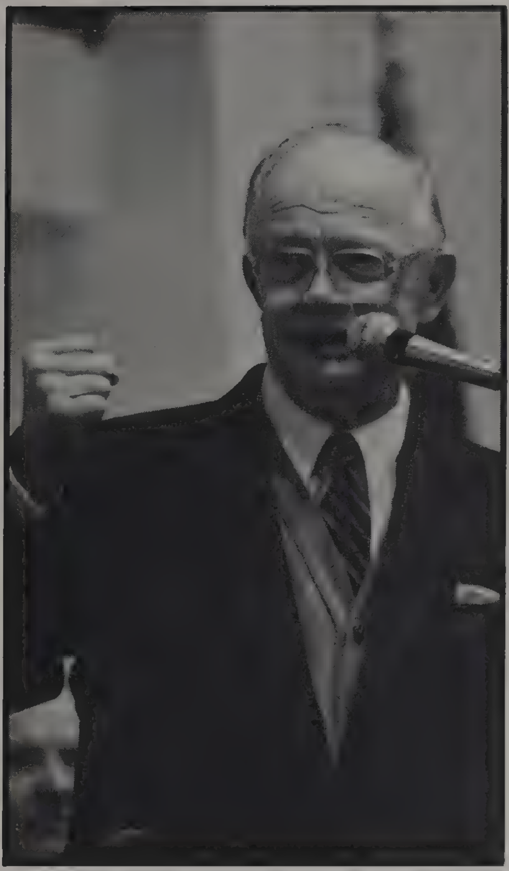
It was a great privilege to also be able to honor Mrs. Roberson who was here with Dr. Roberson for those two special days.



"Ever Forward, Backward Never"



Dr. Faulkner



Dr. Faulkner was another honored guest for the Hyles-Anderson student body. Dr. Faulkner, who served with Dr. Roberson for over four decades, spoke from his heart on success in the Christian life. This potpourri of accumulated wisdom that has been amassed over the decades will undoubtedly prove to be invaluable for each of us.

One of the highlights of Dr. Faulkner's visit to Hyles-Anderson College was to hear him lead the congregation in a song. His vibrancy and love for the Lord was clearly evident to the student body as they were singing.

Dr. Faulkner has become the archetype second man for assistant pastors all across America. He is a stirring example of what our preacher boys should strive for in their service to other men. It is indeed a privilege to honor this great man of God here at Hyles-Anderson College.

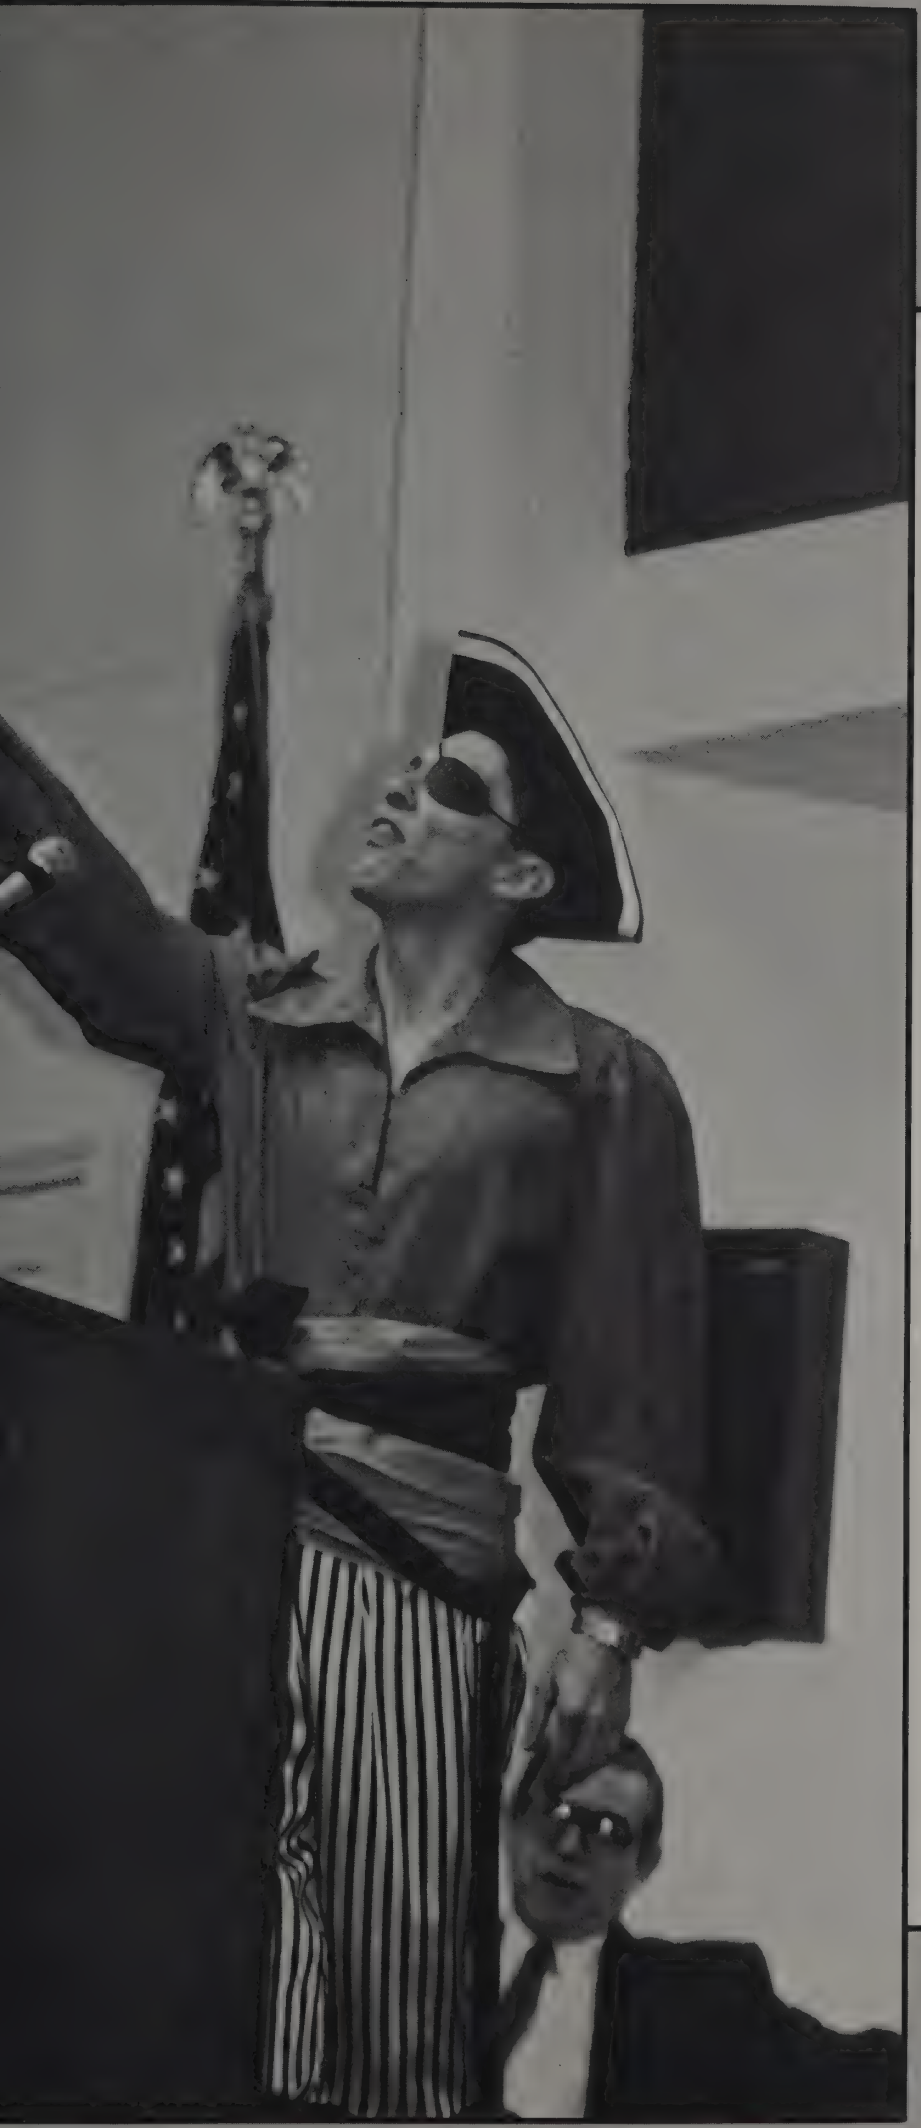
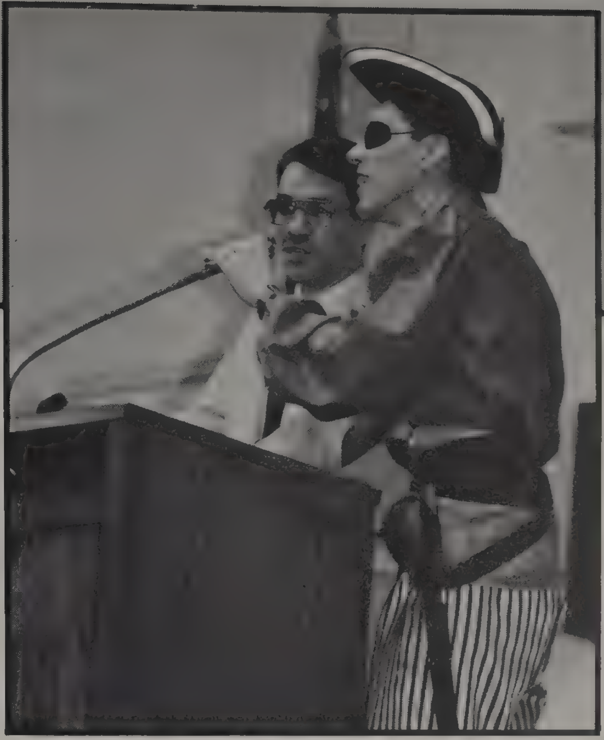
PATCH THE PIRATE

Top: Ron and his wife Shelly sing a duet. ***Above:*** Dr. Hamilton created an all-star quintet of some of the finer musical talents of the faculty and staff. ***Right:*** Patch the Pirate leads the congregation singing a chorus using his trusty saber.

Ron Hamilton (Patch the Pirate) is one of the favorite speakers at Hyles-Anderson College. This year he spent two days with us in chapel at Hyles-Anderson. Along with his family, Ron Hamilton was a tremendous blessing as he shared truths about music.





Top: As a special treat, Dr. Hamilton worked with our most infamous singer, Dr. Jim Jorgensen. ***Above:*** Dr. Hamilton brought his children up on stage to sing with him.

SKITS SKITS SKITS

At Hyles-Anderson College we do not have a student body program, but rather we have chapel five days a week. But while most folk's conception of chapel entails just music and preaching, at Hyles-Anderson College this is not the case. The Activities Department often livens up our chapel services with tremendous skits. These skits range from lip-syncing famous gospel quartet numbers to the adventures of Super Christian and the Lone Soul Winner.

LADIES' SPLIT CHAPEL

Split chapel is something that occurs on a monthly basis and that has come to have a special meaning for Hyles-Anderson College students. In many ways, its caring spirit echoes the feelings of the Dean of Men and the Dean of Women.

For the men, special Gospel quartet-like music and hard preaching characterize split chapel more than any other one thing. For the ladies, the different themes of each split chapel are aimed at helping a certain area in their lives. Mrs. Evans was usually the special speaker. In the men's split chapel services, Dr. Jorgensen and Dean Weaver directed the proceedings. Both of these men became surrogate fathers to many Hyles-Anderson dorm men.

Although these were times of scathing and sorrow, there were also times of joy and rejoicing. As we reflect back, we can't help but be thankful for the special time that is called split chapel.

Top left: Mrs. Evans, the Dean of Women, is almost always the speaker for the women's split chapel. Mrs. Evans' empathy and concern for each girl is abundantly evident. ***Top right:*** The dorm girls watch Mrs. Evans and the lady faculty and staff members show the importance of living the Christian life. ***Center:*** Mrs. Evans and Mrs. Moffitt and the lady staff members tell the girls of Hyles-Anderson College that they are loved.

Mrs. Stephens

"Our Campus Sweetheart"

A very special lady at Hyles-Anderson College is Mrs. Earlyne Stephens. Mrs. Stephens has been on staff since the first day of Hyles-Anderson College. In fact, Mrs. Stephens was a part of the school many months prior to its actually opening its doors. At one of the special girls' meetings this year, Mrs. Stephens was honored and given her day as queen. Mrs. Stephens received honor from many different admirers, including family, such as her grandson, her co-laborers in the business office, members of her Sunday school class, and the college girls in general. Look at the expression on Mrs. Stephens' face, and you will see what kind of lady she is. She is truly our campus sweetheart.

LADIES' DORMITORY

"The dorms are a refuge where walls absorb laughter, beds absorb tears, and ceilings absorb prayers." Marlene Evans, Dean of Women

Ladies' dormitories are places for studying, sleeping, preparing, and in general, living while at Hyles-Anderson College. The various sized rooms take on an atmosphere that is unique with each set of inhabitants. It is the dorm room that will long be remembered after each girl has gone to where the Lord leads her.

MEN'S DORMITORY

"Dorm life is a privilege, and that privilege brings responsibility and accountability." Toby Weaver, Dean of Men

The men's dormitories are more of a stop-over place than those of the girls. Because of hectic work schedules, involvement in ministries, and even the occasional demand for studying, the dorm rooms became a place where the bare necessities of life, such as sleeping and preparation, took place. The rooms differed as much as the men who were in them, but much like the girls' dorms, these rooms will long retain images and memories of college years gone by.

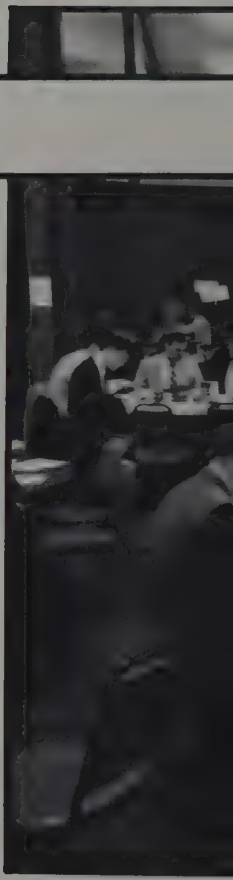
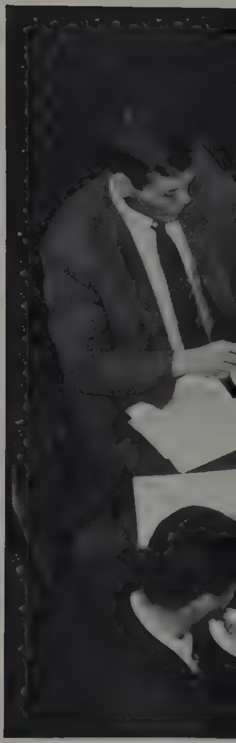
FISHERMEN'S CLUB





The Fishermen's Club is a ministry directed by Dr. George Godfrey. Dr. Godfrey for years has been "Mr. Soul Winner" at Hyles-Anderson College. The Fishermen's Club meeting, which meets each Saturday morning, begins with a breakfast and then is transformed into a teaching time where techniques and testimonies alike are shared. The scores of men who gather each week unite together in singing and prayer before going out across the Calumet region to reach folks with the Gospel of Christ. One of the great attributes of the Fishermen's Club is the strong emphasis on follow-up. The Fishermen's Club is responsible for many adults not only being led to the Lord, but being brought to church, following the Lord in believer's baptism, and ultimately, hopefully becoming soul winners themselves.

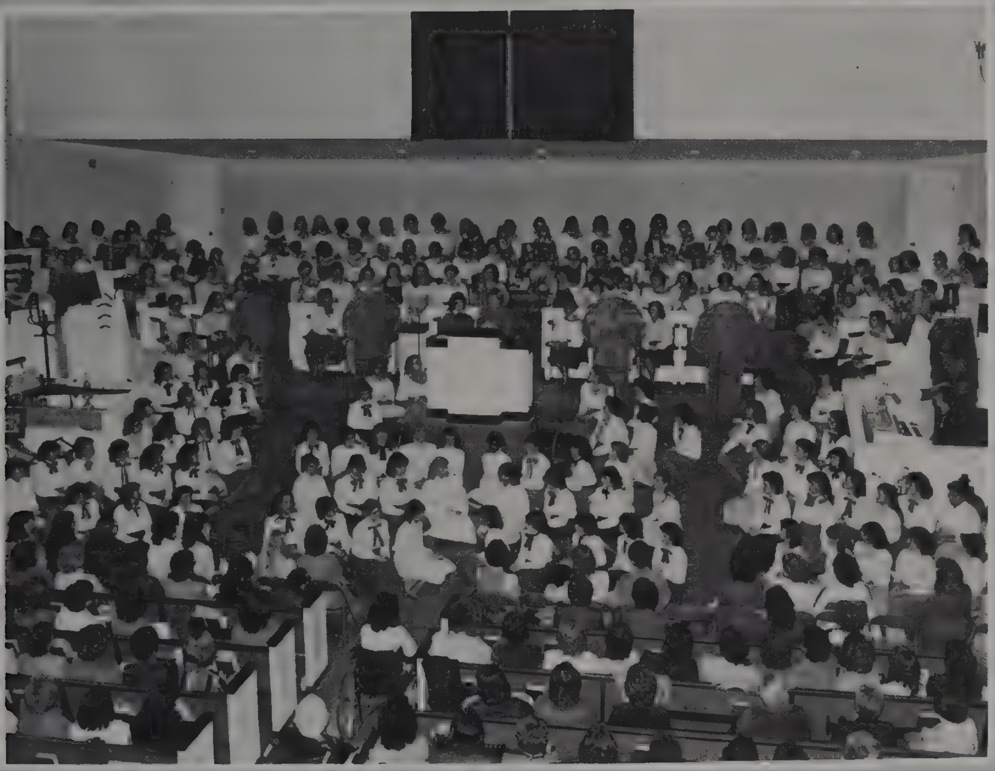
PHOSTER CLUB



The Phoster Club is a ladies' soulwinning group directed by Mrs. Fay Dodson. This ministry gathers each Saturday for a time of teaching and fellowship. After their weekly meeting, the girls ride on buses to areas across the region in order to witness to others. The Phoster Club has challenged many to be better soul winners.

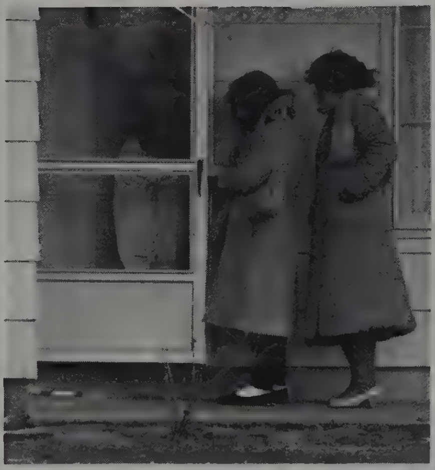
SOUL WINNING BUS



Each Thursday, buses roll out of the Hyles-Anderson campus filled with men and ladies who are going to directly emulate the early church of Jerusalem. The participants in the Thursday soul winning ministry are involved in pure door-to-door visitation. This ministry entails the knocking upon door after door after door in order to be able to share the Gospel. Each bus is captained by a faculty or staff member who uses the travel time to exhort and challenge each student with his or her responsibility towards the lost. The time is also used as a mini-prayer meeting as hearts are prepared for the task that is to follow.

"HELP US TURN THE WORLD UPSIDE-DOWN FOR JESUS."

MISSIONS

Hyles-Anderson College has maintained an emphasis on missions through the years. The Missions Club is directed by Dr. Maurice Paulson, a veteran missionary of several mission fields. The Missions Club meets each month for a time of prayer and a special challenge. Our Missions Emphasis Week this year featured Missionary speakers Dr. Mel Rutter and Dr. Tommy Ashcraft.

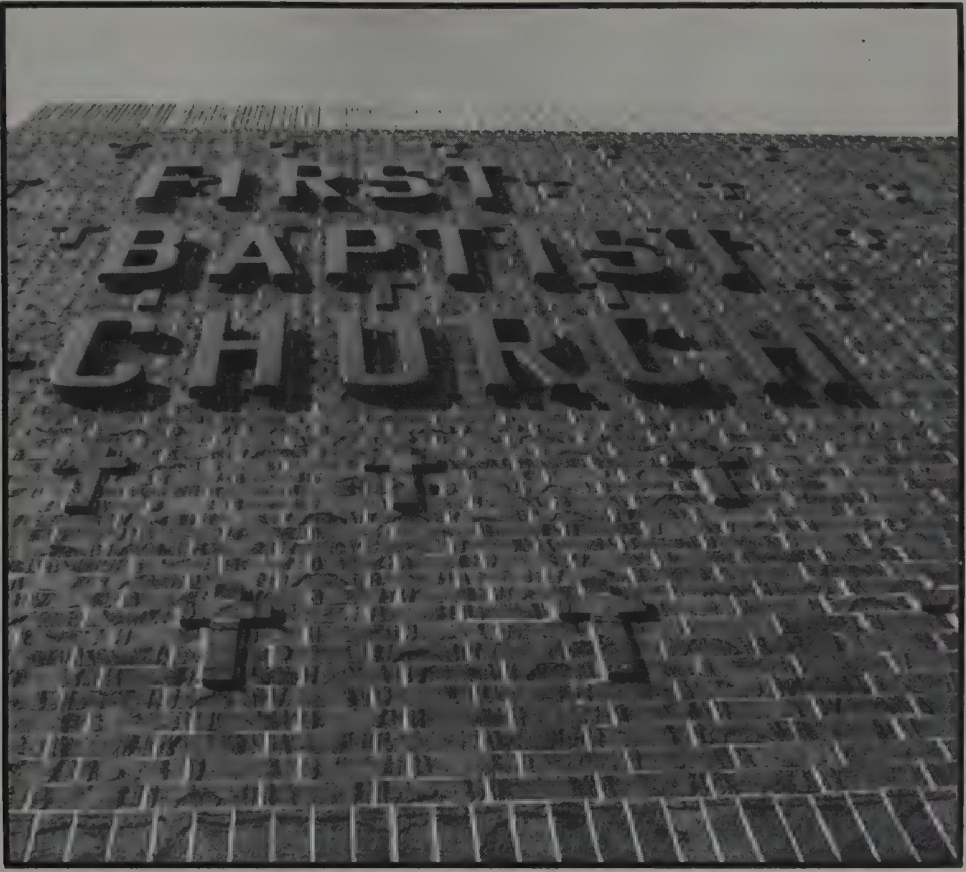
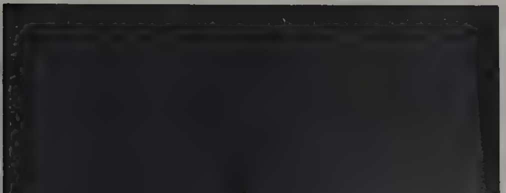
FIRST BAPTIST CHURCH

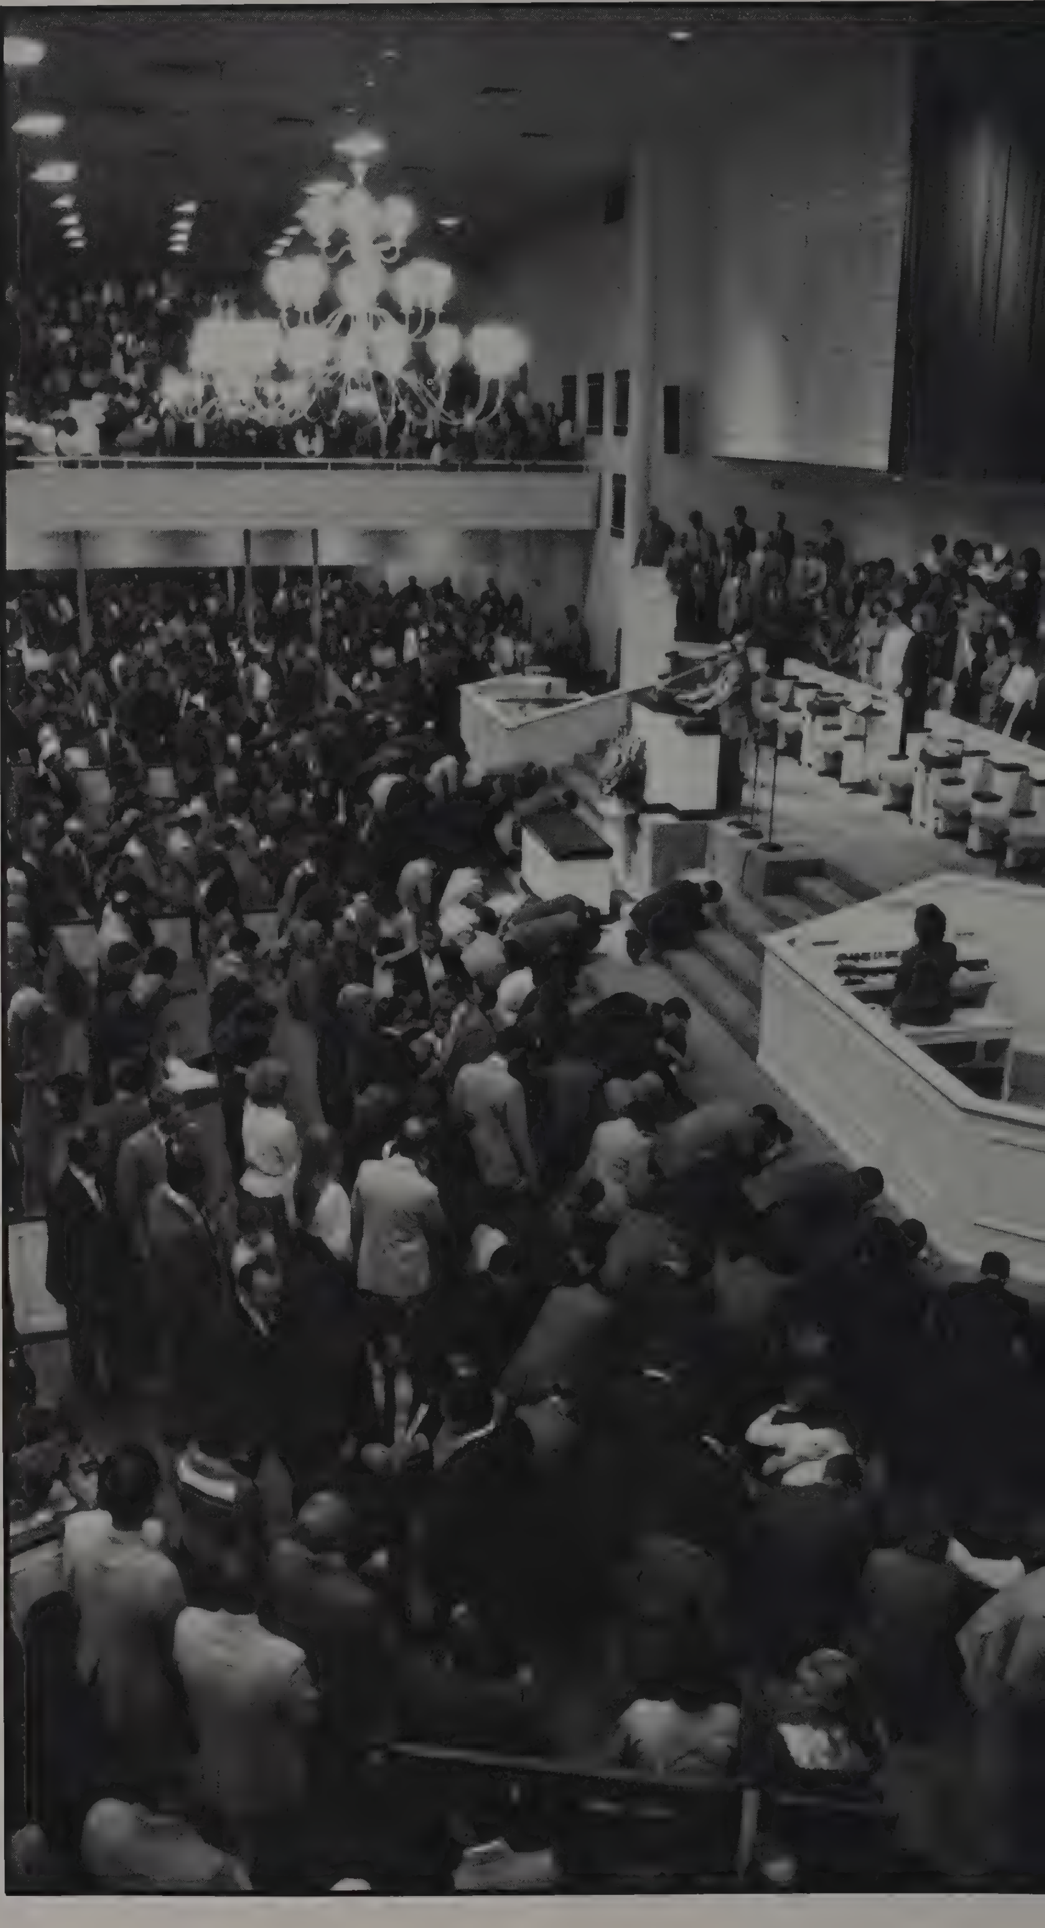




The sign that says First Baptist Church is symbolic for Hyles-Anderson students. The church is of paramount importance in the life of the Hyles-Anderson student. The college, despite its size and reputation, is merely one of the integral parts of the First Baptist Church ministry. Seen on this page, the major portions of a day in the life of First Baptist Church are clearly evident. From the special music to Dr. Hyles' preaching and on to the inevitable blessings of baptism, the ministry of the New Testament church is echoed in this great ministry.

FIRST BAPTIST CHURCH

As we reflect back on our time at First Baptist Church, the most memorable thing that comes to our minds is the invitation. As the massive crowd bowed in prayer, Dr. Hyles would ask for those who wanted to make a decision to raise their hand. After this, there would be an inevitable stream toward the aisles where scores and sometimes hundreds of people would gather towards the front of the auditorium to be greeted by personal workers like Mr. Nischik, Dr. Jorgensen, and the pastoral staff.



After the decisions were made and the converts were dealt with, Mr. McKinney would organize the slips and hand them to Dr. Hyles who would then read them and recognize the decisions that were made. Undoubtedly, these few moments that close the services each Sunday morning and evening will be forever etched in the minds of all who attended our "A" church.

FIRST BAPTIST CHURCH

Although the majority of the students are involved in the bus ministry, there are many other ministries of First Baptist Church in which college students assist. These include the Spanish ministry, headed by Mr. Elmer Fernandez; the deaf ministry, headed by Miss Maxine Jeffries; the sailor and "F" Sunday school ministries, headed by Mr. Larry Bullard; and the teen ministry, headed by Mr. Eddie Lapina. These ministries have had a tremendous impact on the Chicagoland region over the past few years.

SCHOOL

Pastors' School is probably the single highlight of the year for the average Hyles-Anderson student. Not only do we get to hear tremendous messages and see lives being changed, but we have a chance to participate in one of the greatest single weeks in church history. Dr. Hyles began Pastors' School twenty-three years ago. Since that time, it has grown to include thousands of delegates from virtually every state in the Union. The special speakers and tremendous training sessions have garnered a world-wide reputation in fundamentalist circles.

Hyles-Anderson students who are pastoral majors attend all sessions. Virtually every other student in the school is involved in helping with Pastors' School in some way. This includes over 70 ushers and 200 food preparers. We always look forward to March and the excitement that this special week entails.

MUSIC

One of the great things about Pastors' School is the tremendous music that seems to reverberate through each service. On this page are pictured a few of the many groups that blessed and enthralled us through this week.

DOCTORATES

Two special honorary doctorates were given out at Pastors' School this year to two men who have been a tremendous example to Christian workers across the United States. Mr. George Godfrey, who has come to epitomize the term "soul winning" and who is the professor of the course "Personal Evangelism" at Hyles-Anderson College was given a doctorate for his efforts to further soul winning by Christians across the country. Evangelist Carl Hatch was also given a doctorate for his unceasing efforts in the field of evangelism. Evangelist Hatch also preached a tremendous sermon on Monday evening, which resulted in thousands of hearts being touched and changed.

SKITS

One of the highlights of Pastors' School this year was the skits put on by Mr. Bill McSpadden and the Activities' Department. For the most part, these skits were of a humorous nature, and, while they often had a story to them, they helped to liven up the audience on many occasions.

A special dramatic skit was presented in which the life story of Dr. Hyles was shown. This proved to be a blessing and a challenge as his life was relived on stage.

Left and below: Bill McSpadden in two of his familiar roles as a true hero. ***Bottom left and right:*** Dramatic presentation of Dr. Hyles' life.

SPECIAL

There were many special speakers at Pastors' School who served to enliven and to challenge through seminars and sermons. The theme of the entire program, which was carried out through each special speaker, was that of soul winning. Methods and ministries which can be used to win the lost were taught.

CHRISTMAS IN THE HYLANDS

During the Christmas season many students head for their homes across the nation. But for those who remain, Christmas captures the familiar spirit of Hyles-Anderson in some ways better than at any other time. There are plays, concerts, and many activities that are planned for the students who stay. The majority of these things which lead up to the Christmas season are enjoyed by the students prior to going home. This allows the student to enjoy two Christmases each year: one at college and one at home.

VALENTINE BANQUET

The social highlight of each college year is the Valentine Banquet. It is the biggest "dress-up" occasion for the entire school year. The evening's activities are sponsored by the Activities Department, and this year's program, the "Night of Many Moons," was enjoyed by the over 700 students who attended.

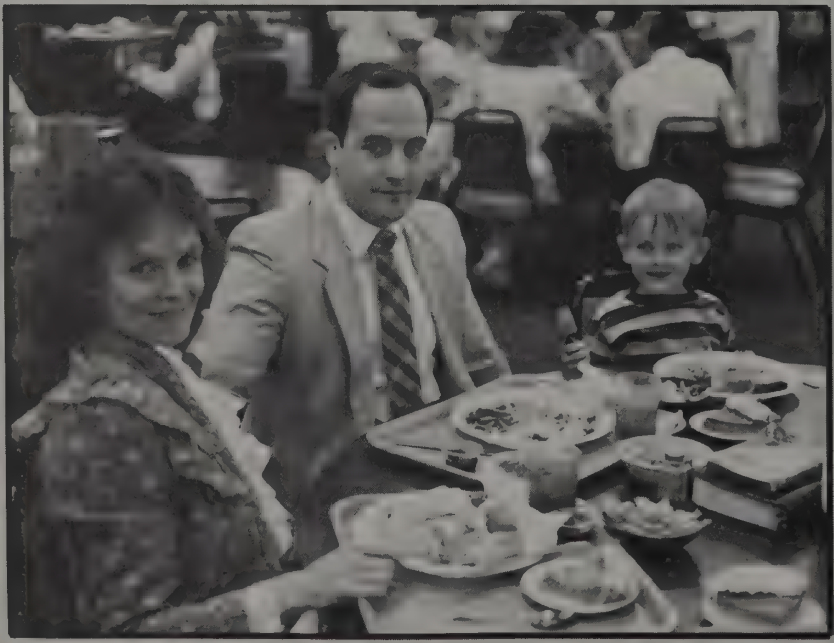
It was a tremendous opportunity for them to get a huge turkey dinner for only $1 a person. ***Bottom right:*** Many young ladies wore new dresses that Dr. Hyles paid for. He gave each girl $20 to buy a new Easter dress.



Due to the fact that Hyles-Anderson students were visiting on bus routes and heavily involved in the Spring Program on Easter Sunday, Dr. Hyles decided to do a very special thing this year, and that was to have Easter Sunday on a Wednesday at Hyles-Anderson College.

EASTER ON WEDNESDAY . . .

This day was complete with an Easter service in the chapel. The chapel was set up exactly as an Easter Sunday service at the First Baptist Church. This included two specials, standing for the reading of the Scriptures, and even Easter lilies in front of the auditorium. After the chapel service, the students went over to the dining hall where a giant turkey dinner was served. This included turkey and dressing, yams with marshmallows, and a large piece of pumpkin pie. After the meal was over there was a giant Easter egg hunt with five thousand Easter eggs scattered across the campus by faculty and staff.

The students were allowed to go out and find as many eggs as they possibly could, and then were able to redeem these eggs for $1 each in either Liberty Square or in Peddler's Way. All in all, it was a tremendous, tremendous day.

Top right: Brad Boruff and Julie Hochmuth enjoy the food almost as much as each other's company. ***Center:*** Students cashing in their eggs in Peddler's Way to their delight and to the cashier's despair. ***Right:*** Annette Swartz and Troy Young get ready to get down to serious business — lunch.

DATING

Right: The first thought that comes to mind when one thinks of dating at Hyles-Anderson College is the lobby. For it is to the lobby that couples migrate like geese heading south for the winter. The La-z-boy couches and chairs are constantly filled with young couples making steps down the long and hard dating road. ***Below:*** Doug Testerman and Robin Henderson enjoy each other's company. SPECIAL THURSDAYS

Usually once a month Dr. Hyles spends time with the young ladies at Hyles-Anderson College. During these meetings Dr. Hyles is often responsible for a special meal of pizza. Ice cream and other treats are often given out. He often reads special notes from men admirers to the young ladies, and most importantly he gives of his time to answer questions about which the young ladies feel they need counsel. The announcement of this meeting, which often comes in a Thursday chapel, is always greeted with loud cheers and great applause. These pictures revive the spirit of those special Thursday night meetings.

HYLANDER

Every other week during the college school year, Mrs. Hyles and Mrs. Lively direct a fellowship meeting of all the married students' wives. This organization, called Hylander Wives, is directed towards teaching and encouraging these married ladies. This bimonthly time is highlighted by a time of fellowship and food which follows each meeting.

WORK SCHOLARSHIP

Much of the day-to-day work at Hyles-Anderson College is done by the work scholarship students. Over five hundred students at Hyles-Anderson are in the work scholarship program. It is impossible to be at Hyles-Anderson College without having one's life effected by the efforts of the many who are on work scholarship. As your day begins in the morning and as you step outside a dormitory, the floors and windows have been cleaned by scholarship students. As you go to the dining hall, the bakery girls prepare the cinnamon rolls for breakfast. The cooks prepare the rest of the breakfast. The waitresses serve. And, of course, the custodians have helped clean the dining hall prior to your coming. After leaving there and going to the classroom, one can't help but notice the trash has been emptied and the blackboards have been cleaned. Once again, by the work scholarship students. Other areas of your life are inevitably effected, such as the activities' program put on by the Activities Department each Friday and Saturday night. Also effected is the riding in buses by the young ladies to and from church in which the young men have helped to prepare and drive the buses. The Print Shop runs off the tests and the Post Office sorts the mail, and, most importantly, the care packages from home. Even down to the night hours when the students are sleeping, there are students on work scholarship who monitor the halls checking for any problems or any emergency that might come up while the majority of us are at home asleep in bed.

We are extremely thankful for the tremendous job done by the work scholarship students. Listed below are the various departments in which work scholarship students play a key part: Activities, Bus Maintenance, Bakery, Buckets-n-Bows, Clinic, Dining Hall, Library, Liberty Square, Monitors, Peddler's Way, Post Office, Print Shop, Secretarial, and Security.

PATRIOTIC PROGRAM

An annual event at Hyles-Anderson College is the Patriotic Program. This program is directed at inspiring a fervor and patriotism for the country in which we live. With a compilation of skits, songs, and dramatic readings, the students are exhorted and challenged to be thankful for this great country of ours. This program is directed by Mrs. Evans and is done in large part by the Speech Class.

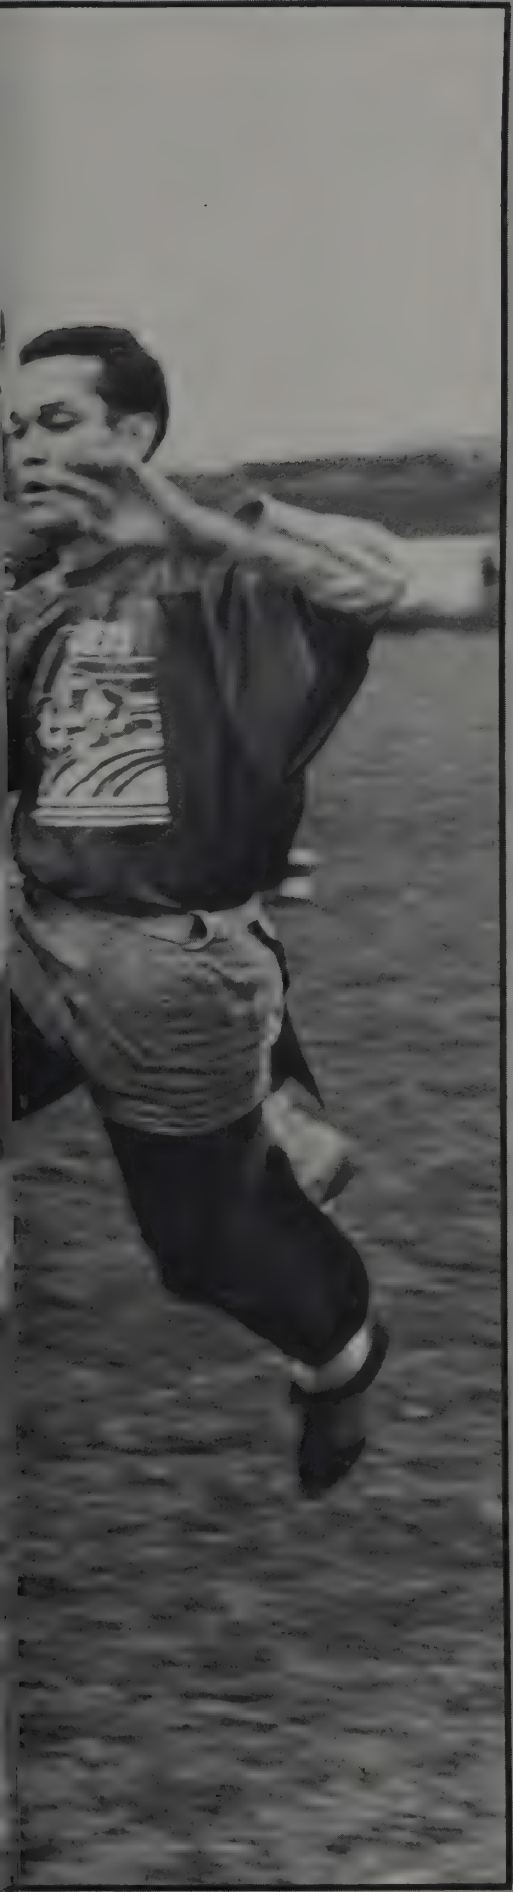
ATHLETICS



FOOTBALL

Football season begins with try outs in early September. Here among the forty-yard dashes and the basic skill tests, the assorted captains watch to see who they should select in the upcoming draft. Following the draft, there are exhibition games and then the regular season. Intramural Football is culminated by the annual Super Bowl. This festive occasion has occurred for seven consecutive years and is viewed by the entire college family. This is often a memorable event because it always seems to occur on an unbelievably cold day. This was the case once again this year as the huddled, shivering masses wait for half-time to arrive.

The group that Intramural Football means the most to is the actual participants. These are the young men who practice and train for the excitement of game time. It is these men who will long remember the names like the Fiery Falcons and Jarring Jets.

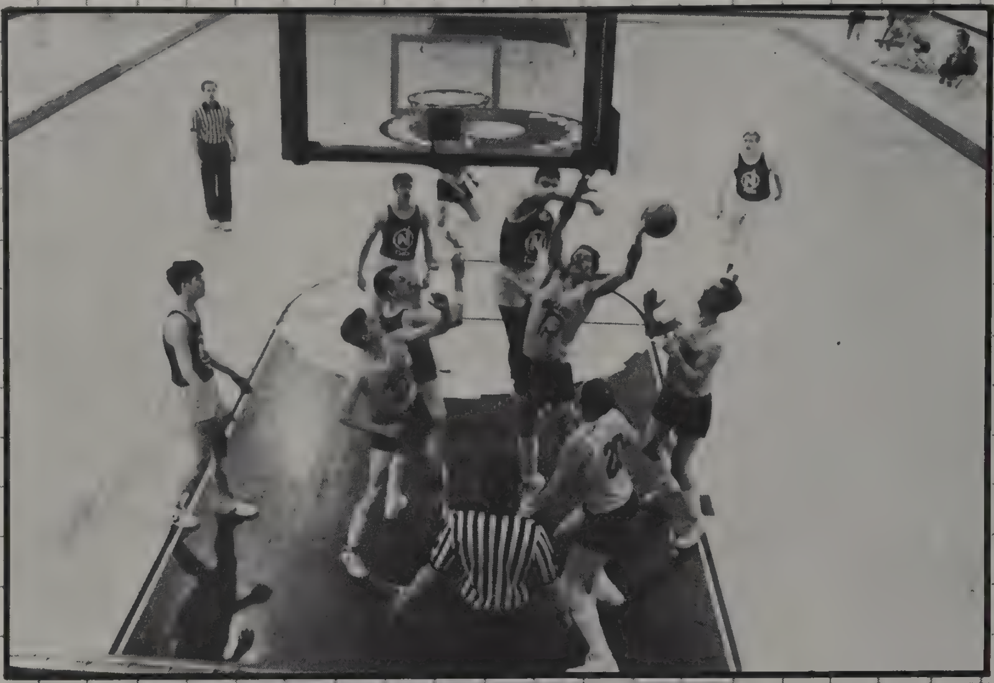
BASKETBALL



Intramural Basketball was enjoyed by every single Intramural participant. In the Intramural league, it is mandatory that each player on the team play at least one quarter. Because of this, each victory or defeat is truly a team effort.

Intramural Basketball was a learning experience for the coaches and players alike, and when the season was finished it could truly be said that it was well done. The Intramural Basketball Championship was once again attended by the entire student body. The game was tremendously exciting from start to finish due in large part to the fact that the underdog Pacers were able to upset the Nets who had been in first place for the entire season. There was a carnival type atmosphere with the chattering of the vendors and the blaring of the band.

For those who have never watched the indoor version of this popular European sport, one cannot imagine the fast action and excitement of a game which is literally non-stop. Using giant screens to block either end of the basketball courts, the ball was virtually continuously in play unless kicked up into the crowd. This resulted in high scoring games making it not unusual to see 17 and 18 goals scored in a game. The championship of this year's Intramural Soccer season was won by the Electrifying Express.

MEN'S SOFTBALL

Intramural Softball is a season that is marked by both brevity and excitement. Although the season is only a few weeks long, it is special for a variety of reasons. These include the fact that there is nothing more American than the crack of the bat and the smell of freshly cut grass on a warm, early summer afternoon. It is the sport that most of us can look back to and remember from our childhood.

GIRLS' SOFTBALL

After viewing the Hyles-Anderson ladies at functions such as the Valentine Banquet and the Mother-Daughter Banquet, it seems somewhat incongruous to envision the barreling into second base in a cloud of dust. GIRLS' EXERCISE EXTRAVAGANZA

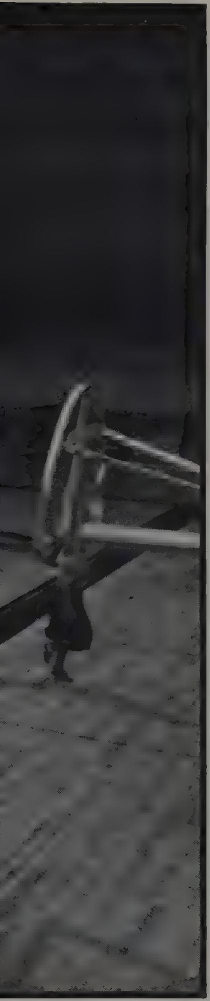
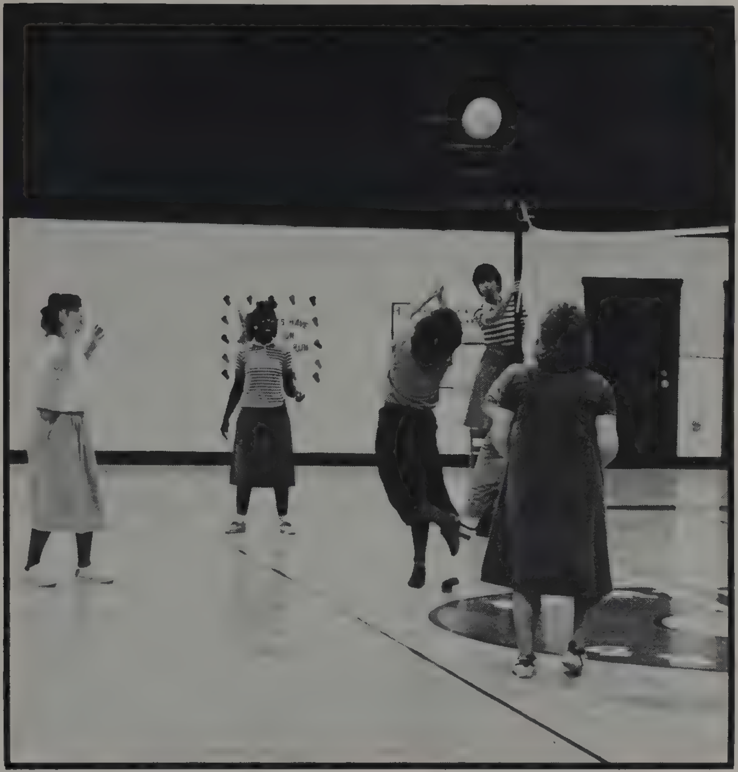
Each week the Dean of Women's Department offers an exercise program for the on-campus girls. This exercise program takes place in the gym, and it is shut off from all male students. There, to exciting Christian music, exercises are completed. This program is quite popular and has an attendance as high as seventy and eighty at different points during the year. Miss Stradick, the diminutive Dorm Supe, directed this with wreckless abandon.

Top: The ladies limber up for another session of Exercise Extravaganza. ***Right:*** By the look on Miss Cindy Stout's face, one can see that exercising is fun!

GIRLS' VOLLEYBALL





The second intramural sport for young ladies is volleyball. This was even more popular than softball and became known as the place of spills and thrills. The pictures on this page show the type of action that was common.

Left: Vicky Stroud looks on as the ball sails over the net. ***Below:*** Martha Erickson makes an outstanding save on the third try.

Hyles-Anderson Alma Mater

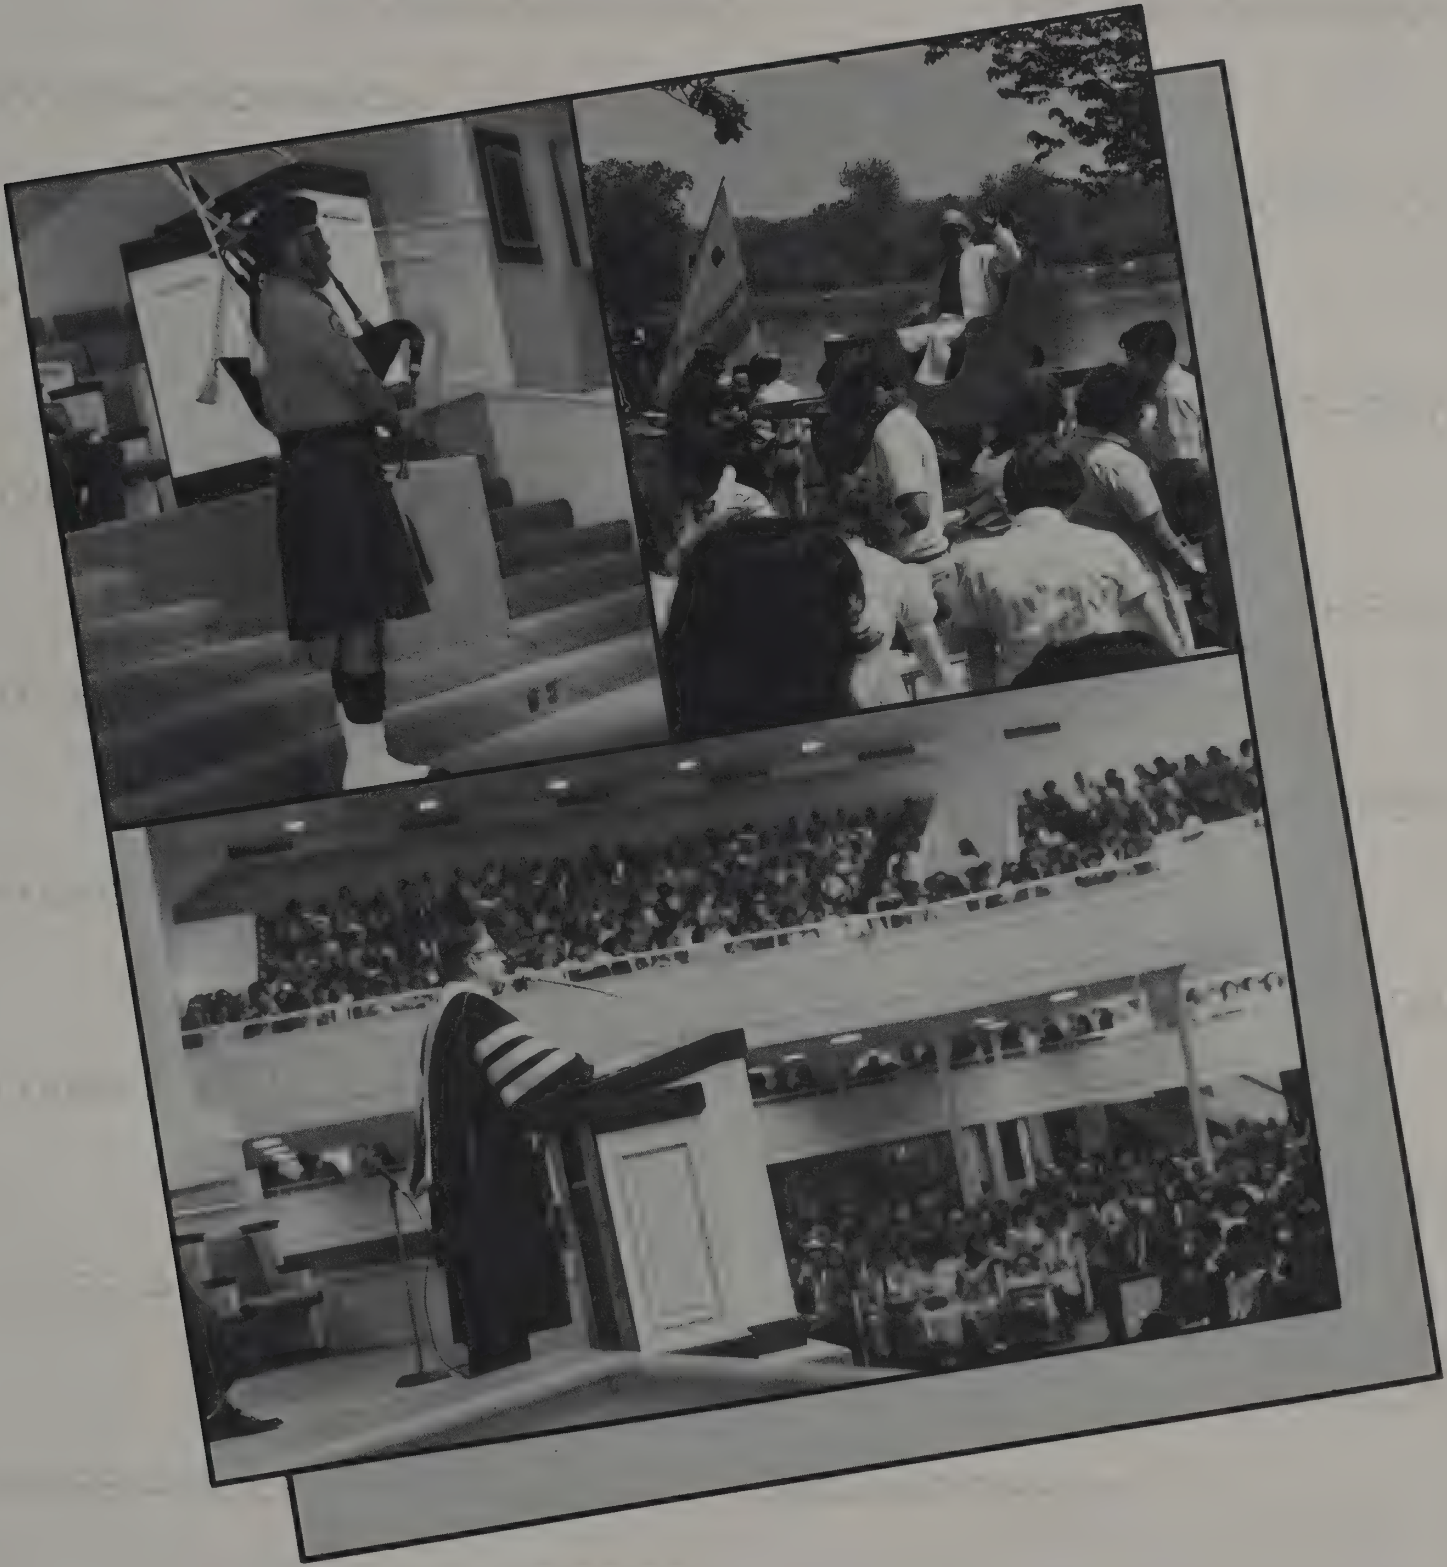
Long these honored halls of learning have been filled with joys and tears;
And the blessed, sacred mem'ries will be cherished through the years.
May our lives be spent for others, going forth to seek the lost.
Hyles-Anderson, Hyles-Anderson, lifting high His wondrous cross.

Hear our prayer for strength and beauty — both are treasures rich and rare;
Strength to labor for the Master, beauty in a life of prayer.
Grant to us Thy Holy Spirit, fill us with Thy pow'r divine.
Hyles-Anderson, Hyles-Anderson, use our talents, they are Thine.

Girded with the Spirit's armor, clothed with power from above.
We shall go to the world awaiting, sharing God's redeeming love;
Till at last we stand before Him — He whose face outshines the sun.
Hyles-Anderson, Hyles-Anderson, may we hear His words, "Well done."

As we herald forth the Gospel in this world of sin and woe,
Give us courage to be faithful, grace to conquer ev'ry foe.
Help us, Lord, in all our labors to be guided by Thy Word.
Hyles-Anderson, Hyles-Anderson, we are servants of the Lord.

Words by Dr. Robert J. Billings
Music by Mr. Donald Elmore



GRADUATION ACTIVITIES

WHO'S WHO 1986

Who's Who Among Students In American Colleges And Universities is a distinguished honor which is bestowed on the top few students in American higher education. Election to Who's Who is made by the Hyles-Anderson faculty and staff. These students are chosen on the basis of character, leadership qualities, involvement in Christian ministries and a general level of excellence. These students are in a class of their own.

BEHIND EVERY GRADUATE THERE STANDS . . .

The night prior to graduation the Activities Department sponsored a special program entitled, "Behind Every Graduate There Stands . . ." This program was dedicated to remembering and honoring the motivational force behind every student, that being, of course, their parents.

Laurie McFarlin praises her parents.

Tamra Etheridge gives special honor to her parents.

Joy Garlick told her family how much she appreciated their support.

Mr. and Mrs. Mendoza smile proudly as their daughter, Rachel, tells of the attributes she has learned from them.

Julie Wise Mitchell tearfully tries to repay her family for their investment in her life.

Senior Picnic

"Aloha, Graduates"
Hyles-Anderson College!

As the parents and graduates walked down the driveway towards the lake, they were greeted by signs that said, "Aloha" and "Welcome to Hyles-Anderson College." It was immediately evidenced that the theme of the 1986 Picnic was Hawaiian.

The Stark family gathers with their four daughters to celebrate the graduation of Lanita and LaVonna.

The beautiful 70 degree day provided a perfect lakeside climate for the 1800 attendees of the picnic.

Commencement

Commencement

When one thinks back upon graduation, the first thing that comes to mind is Dr. Evans, Dr. Jorgensen and Dr. Hyles speaking to the graduates in the final few moments before they march to their positions in the auditorium. It was there in the Adams Chapel that Dr. Hyles said good-bye for the last time. It was there that parents and friends made last minute adjustments to the caps and gowns that were worn with such honor.

Commencement

The administration and the faculty watch as the graduates march in to take their places. After the graduates took their positions, Dr. Hyles welcomed the distinguished visitors and guests as the program began.

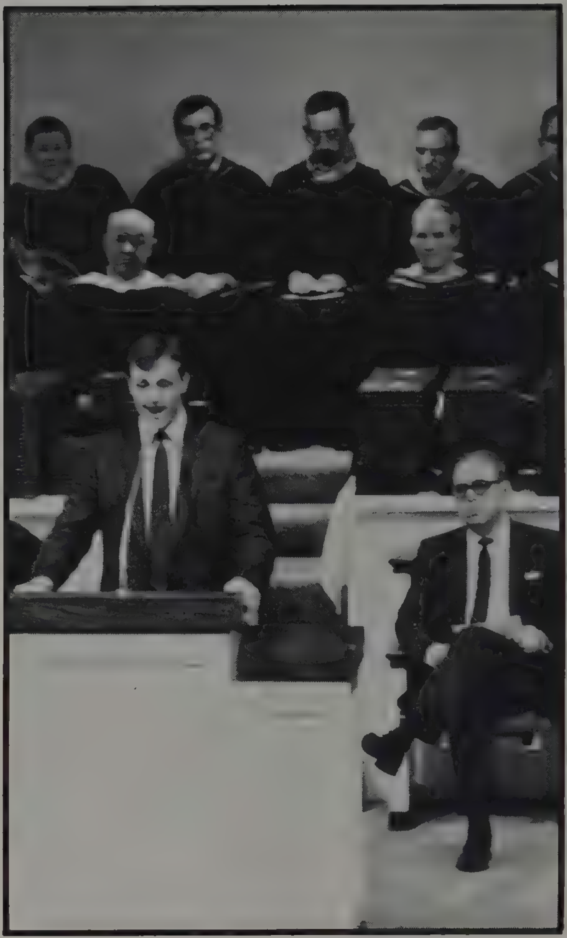
Commencement

Dr. Russell Anderson, the co-founder of Hyles-Anderson College, led in prayer.

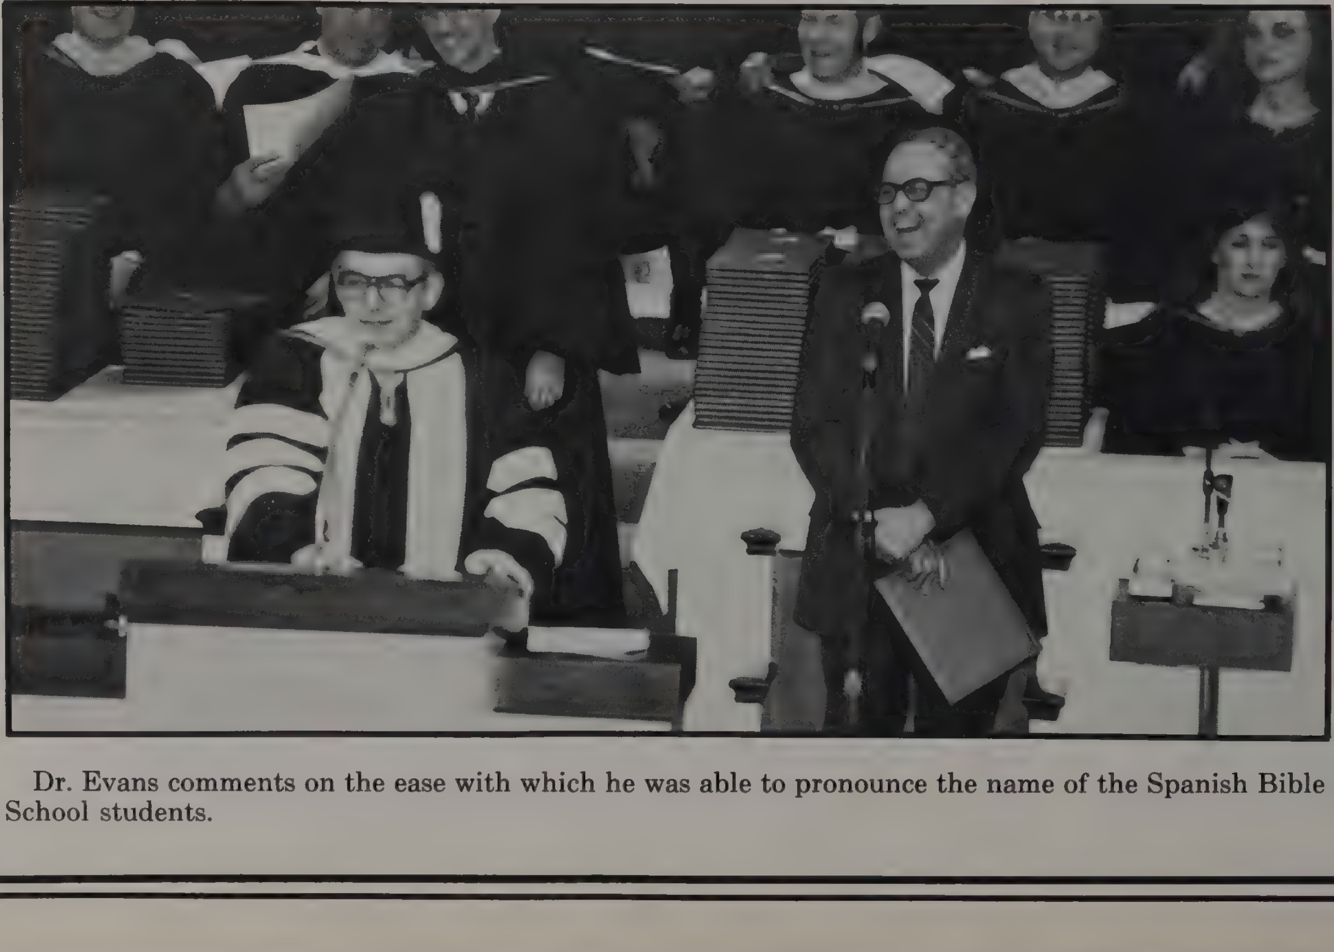
Dr. Evans led the congregation in a song both at the beginning and at the end of the service.

Commencement

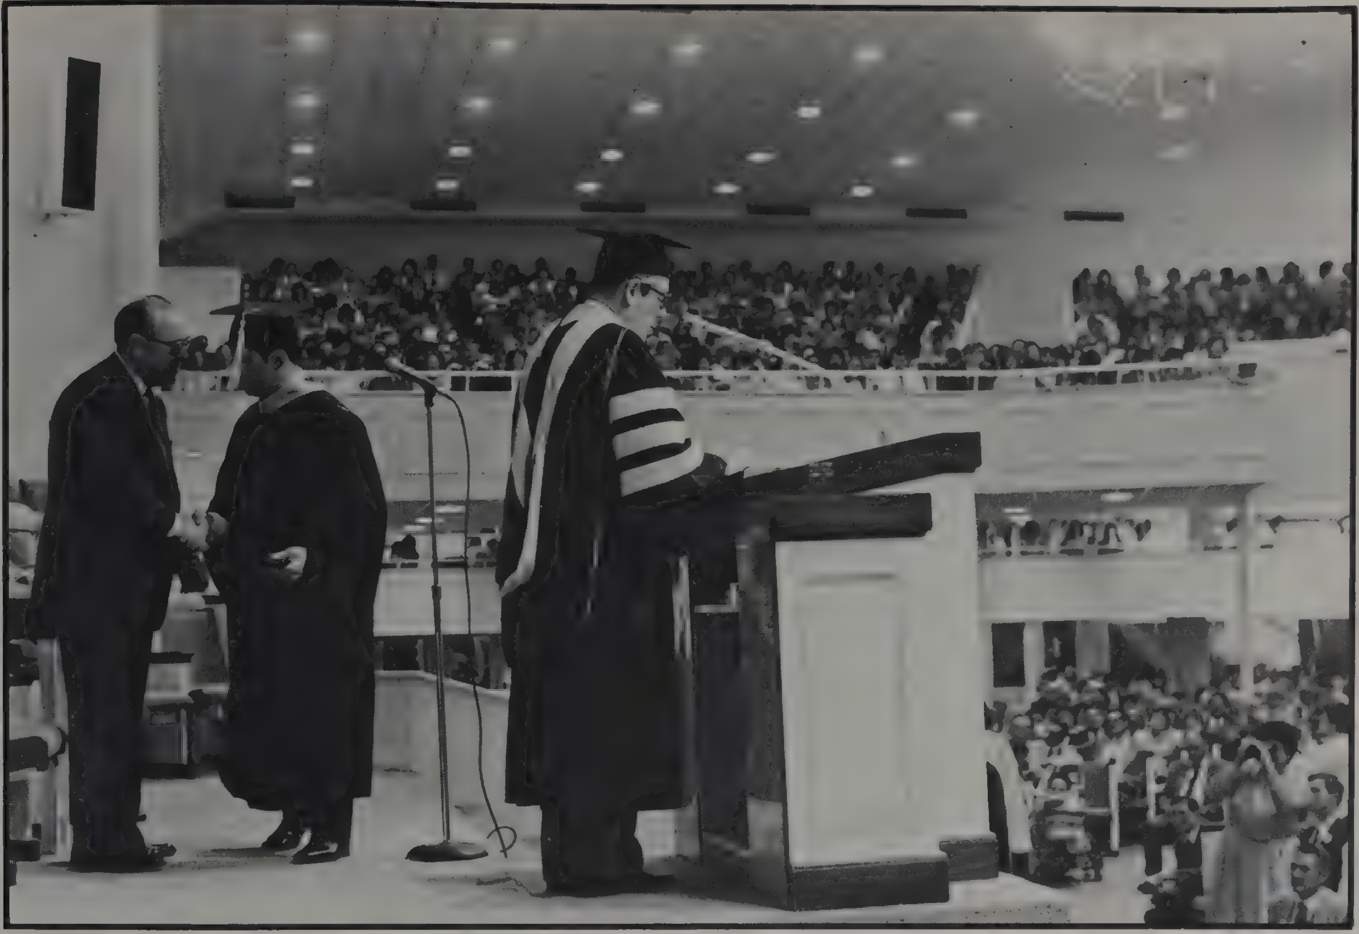
Dr. Jorgensen presented the special degrees to the academic achievers.



Kurt Ludington sang a special that ministered to all the audience.



Dr. Evans comments on the ease with which he was able to pronounce the name of the Spanish Bible School students.



It is a special moment when you have your diploma and Dr. Hyles shakes your hand.

Carolann Yoshida

Phyllis Stephens

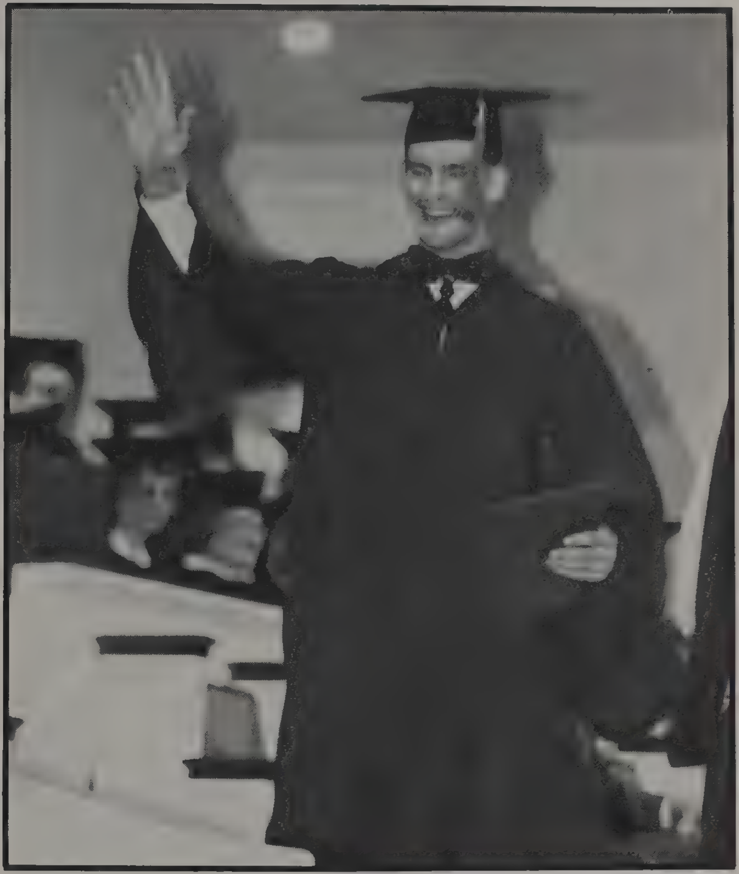
Commencement

A special moment in the commencement exercises was when Ruth Balciunas received her diploma. Ruth has been a tremendous testimony to the entire Hyles-Anderson student body through her determination. She had lost her legs in an auto accident. Her courage and convictions are a testimony to what a true, Christ-like attitude really ought to be. We are thankful that as we reflect back on this year, we can remember Ruth Balciunas as a part of this class as a soul winner, a prayer warrior, a student; all in all, a very special lady.

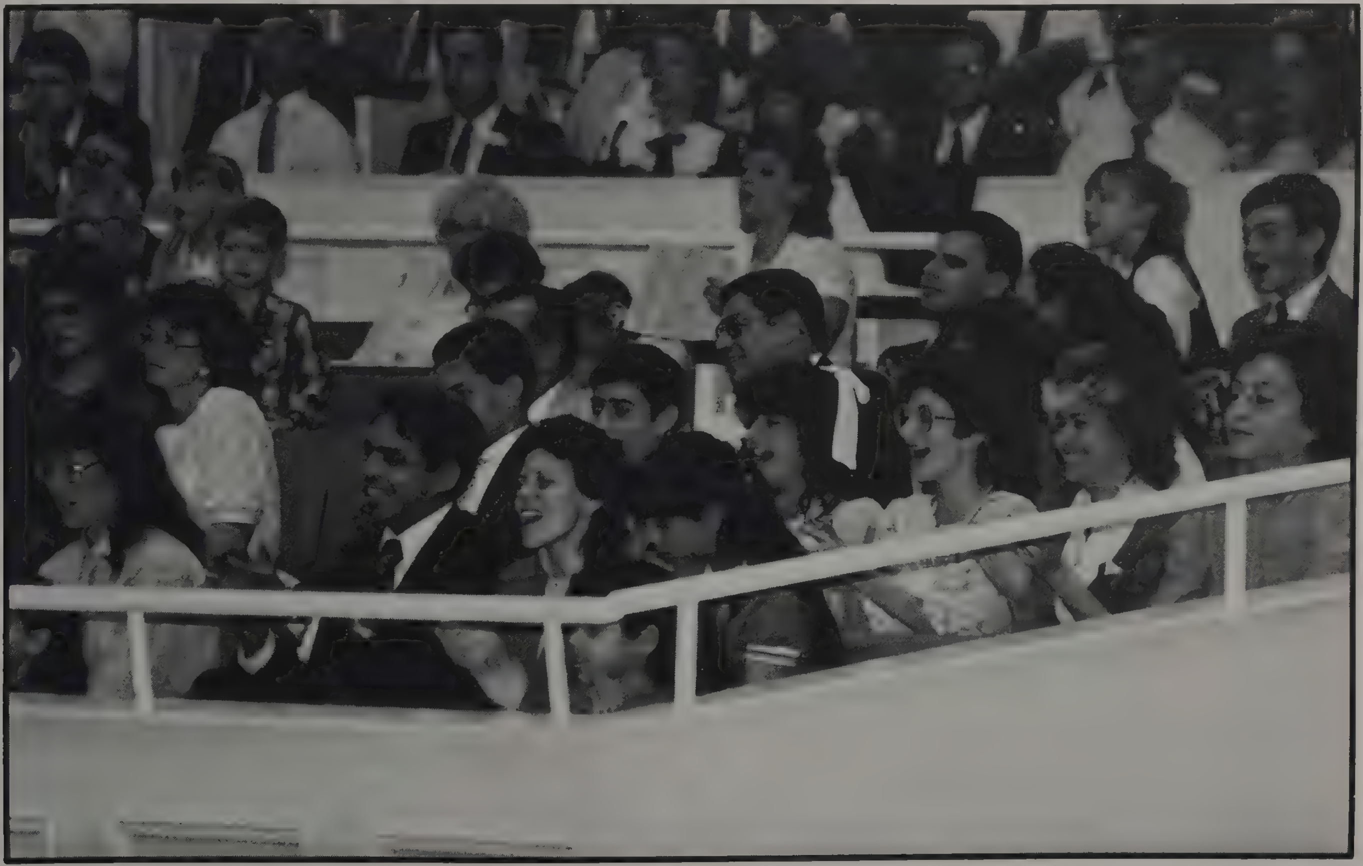
What an incredible challenge to realize that a lady who is a double amputee has been responsible for winning over 100 souls to the Lord each year of her four year tenure at Hyles-Anderson.

Commencement

Shelly Quackenbush is obviously pleased by the fact that she has completed her race.



Russell James waves to Mom, Dad and friends with unashamed glee.



Family and friends in the balcony look on while some applaud as a loved one passes across the platform.

Miss Hylander And Mr. Hylander

Carolann Yoshida Kevin Albert

The outstanding honor bestowed by Hyles-Anderson College is that of Mr. Hylander and Miss Hylander. The two recipients this year have certainly lived lives that have been beyond reproach. These brief summaries of their lives here at Hyles-Anderson will help to give you a picture of two people who are truly dedicated and sold out. We honor Carolann Yoshida and Kevin Albert for this outstanding achievement.

Carolann Yoshida is the daughter of Mr. and Mrs. Hiroski Yoshida of Canoga Park, California. Carolann has been a worker in the "B" junior church ministry of First Baptist church for three years, a worker in the "B" nursery one semester and a worker in the "B" soul winning ministry for three years. Carolann has worked on the same bus route all four years that she has been at Hyles-Anderson College. You will often see Carolann sitting in church with a little bus girl under one arm, and seated next to her a Chicago teenage girl who obviously has found just the right kind of example for a Christian lady. Carolann has maintained a busy schedule while participating in several singing groups for the college including the Hylander Chorale and traveling for the college in a summer tour group. Miss Yoshida received a Bachelor of Science degree majoring in secondary education. She marched summa cum laude.

Kevin Albert is the son of Mr. and Mrs. James Albert of Blacksburg, Virginia. He is married to the former Patty Doyle, who was the 1985 Miss Hylander. "Brother Kevin," as he is known to his many bus kids, has been in the bus ministry for over three years. He has been a bus captain for two years and a division leader for the past year. He has been in the Fishermen's Club, in the "F" Sunday school ministry, a teacher in Junior I and the superintendent of the Junior III "B" department for one year. While in the dorms, Kevin served as a dorm monitor for several years and participated in the intramural sports program. Kevin was called to preach in 1980 at the Southwide Baptist Fellowship. Kevin received his Bachelor of Science degree with a major in pastoral theology. He marched magna cum laude.

VALEDICTORIANS

Sue Gilbert   Deanna Meador   Rico Scarfi   Kim Patton

This year Hyles-Anderson had one of its most unique experiences in its academic history. The 1986 school saw a four-way tie for valedictorian. These students were Sue Gilbert, Deanna Meador, Rico Scarfi and Kim Patton. Because of this, we had quad-valedictorians. This unusual dilemma gave Hyles-Anderson College four valedictorians for 1986.

Sue Gilbert received a Bachelor of Science degree with a major in secondary education.

Deanna Meador received a Bachelor of Science degree with a major in secondary education. It should be noted that Deanna graduated in just three years.

Rico Scarfi received a Bachelor of Science degree with a major in secondary education.

Kim Patton received a Bachelor of Science degree with a major in secondary education. Kim also graduated in just three years of study.

DOCTOR OF DIVINITY

DR. JOSEPH DAVID COMBS

The Honorary Doctorate program was a special one to the students of Hyles-Anderson College because of the four men that we honored. One was especially our own. That man was Joe Combs. Dr. Combs has taught at Hyles-Anderson College for 13 years. His insight for Bible teaching has had a major impact on all students who have sat under his tutelage and been willing to learn. It was truly a special night to see Dr. Combs honored by his receiving the Doctor of Divinity degree.

Joseph David Combs was saved at nine years of age and called to preach at the age of eleven. After graduating from college, he pastored briefly and then came to the Bible faculty of Hyles-Anderson College. During this time, he has had an extensive ministry preaching across America in churches, colleges, and Bible conferences. He has a tape club for those who subscribe to his sermons. He has written study guides for many books of the Bible and a Wisdom Manual, which is a collection of writings on Biblical principles. In the coming months, Dr. Combs will be founding a new church near St. Petersburg and Clearwater, Florida.

DR. RONALD ALLEN HAMILTON

Dr. Ron Hamilton has achieved nation-wide renown as "Patch the Pirate". His ministry through records and tapes has literally blessed the lives of tens of thousands of children across the country. Dr. Hamilton blessed the assemblage at graduation by singing a song, "Rejoice in the Lord." He has been a blessing to the Hyles-Anderson student body through his speaking on the subject of the right type of music. We are thankful for Dr. Hamilton and his influence on Hyles-Anderson College and America.

Ronald Allen Hamilton graduated from Bob Jones University with a Bachelor's degree in sacred music in 1973 and a Master's degree in 1975. He taught at the university from 1973 until 1978, when he resigned to enter a full-time ministry of music and preaching to fundamental churches. In the spring of 1978, Dr. Hamilton discovered he had cancer, and his left eye was removed. Through this experience and subsequent events, God led him into a ministry of children's music as "Patch the Pirate." In this role, he has completed six "Patch the Pirate" recordings which have become synonymous with children's music in fundamental churches. He also wrote the song, "Rejoice in the Lord," which is the title song of his weekly nation-wide broadcast. Dr. Hamilton says, "God took my left eye due to cancer and gave me a worldwide ministry."

DR. THOMAS LESLIE HOBBINS, SR.

Dr. Les Hobbins has been a close friend of Hyles-Anderson College for many years. Dr. Hobbins has pastored for over a decade in the Toledo, Ohio, area at the Lewis Avenue Baptist Church. He has been responsible for seeing scores of changed lives and hundreds of people brought to Christ during his tenure there. Dr. Hobbins is a true friend of Hyles-Anderson College.

Thomas Leslie Hobbins was saved at fourteen years of age at a youth meeting in London, Ontario, Canada. He received a Bachelor's degree from a Bible college, and later a Master of Divinity degree from seminary, where he received an award for excellence in preaching. During his ministry, he has pastored four churches — two of which were located in Canada. For the past fifteen years, Dr. Hobbins has pastored the Lewis Avenue Baptist Church. The church is located on twenty-five acres of land in Temperance, Michigan, which is a suburb of the greater Toledo, Ohio, metropolitan area. The church maintains an attendance of over 500. They have had a high day of over 3,000 in attendance. The church land and building are valued at $2 million.

DOCTOR OF HUMANITIES

DR. ROBERT GLYNN GRAY

Robert Glynn Gray came to Hyles-Anderson College in 1974 after graduating from a secular school and being a cost accountant with General Motors for seven years. He graduated from Hyles-Anderson College in 1976 with highest honors. After this, he pastored the Faith Baptist Church in Bourbonnais, Illinois, for four years. During this time, the ministry there experienced God's blessing and grew rapidly. In 1980, he became the pastor of Longview Baptist Temple in Longview, Texas. In the last six years, that church has grown to an average attendance of over 2,000. In 1985 the church baptized 2,991 people. The ministries of the church include Longview Christian Academy, Texas Baptist College, a television program, a bus ministry, a chapel ministry, and a nursing home ministry.

Commencement

From the time the first name was read until the strains of "Pomp and Circumstance" filled the air, it was truly a very special evening. For some 300 graduates, graduation was something that had been sought after and yearned for. As a result of dedication and diligence, the prize has been won. We congratulate you, 1986 graduates of Hyles-Anderson College.

1986 CABER

Assistant Editor

Mrs. Pat Hays

The 1986 Caber was largely the result of the work of six people. We want to express our appreciation to each person who volunteered to make this volume of the Caber a reality. Weekly meetings, ridiculous requests, and questionable cooperation were just a few of the joys realized by each of these folks. We would like to add a special note of thanks to our proofreaders, Mrs. Suza Rasmussen and Mrs. Vicki Mitchell. Thank you all again.

Greetings:

Faith Music Missions is honored to produce the music tapes for Hyles-Anderson College. We highly value the fundamental stand, separation, and Biblical training that is upheld there.

God burdened our hearts concerning the music of our country, and Faith Music Missions was started in 1980 as a ministry of Boeke Road Baptist Church in Evansville, Indiana. We are dedicated to the preaching of the Gospel of Jesus Christ, winning souls, seeing lives changed, and bringing Christ-honoring music into churches and homes thoughout the world.

Since attending my first Pastor's School in 1974, Dr. Jack Hyles, First Baptist Church, and Hyles-Anderson College have had a definite impact on my life. We want to thank all concerned for being a part of this much-needed ministry. You have certainly been a tremendous blessing and encouragement to us.

It is our prayer that God continue to use Hyles-Anderson College in the training of men and women for His service.
